

## Why have a Neighbourhood Plan ?

To ensure the village evolves in a manner that enables all of us to contribute and participate, in both the local community and the wider society as a whole. While respecting the 900 year history of the village.

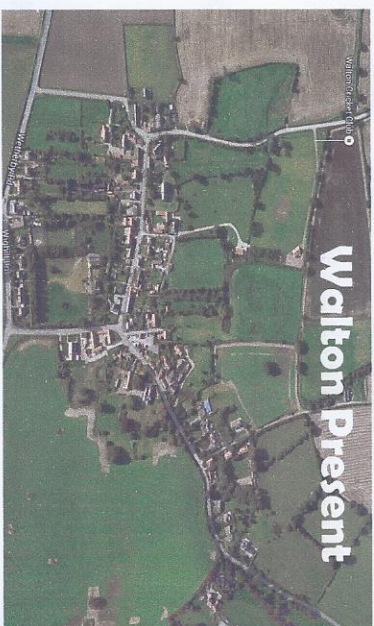

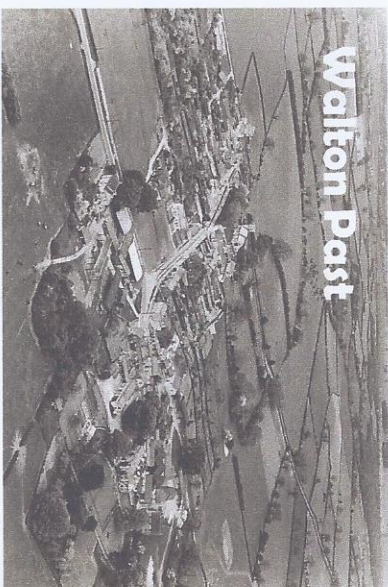

To do this the neighbourhood plan aims to identify key objectives that you feel would enhance the quality of life in the village. And ensure its future viability as a village in the years ahead.

Having consulted with you and having identified the key objectives. The neighbourhood plan aims to ensure that local government policies recognise and work towards achieving the objectives, identified by the people of Walton.

**WE LOOK FORWARD TO HEARING  
YOUR IDEAS AND OPINIONS**

## Walton Neighbourhood Plan

**Village Workshop Saturday 14th May**

**What Matters To You ?**

**Help shape**

**Walton Future**

**To all Walton Villagers**

**On the 14th May we will be holding a village workshop to get your thoughts on how you think the village should evolve in the coming years.**

**We did this in 2003 for the Walton Parish Plan.**

**We did it again in 2010 for the draft Walton Neighbourhood Plan.**

**Since those consultations new people have moved into the village and we have all got a few years older ! So our thoughts and priorities may have changed.**

**This will be an opportunity for you all, to tell us what matters to you.**

- ◆ **What you like about the village.**
- ◆ **What you dislike.**
- ◆ **What improvements could be made for both young and older residents.**
- ◆ **How you think the village should evolve and develop in the years to come.**

**The feedback from this workshop will be the first step towards a new Neighbourhood Plan.**

**There will be further consultations in the next few months as we endeavour to submit the plan this year. We will try to keep you informed. If you would like email updates please send an email to :**

**crmjlooks@gmail.com**

**THANK YOU—I hope to see you all on Saturday 14th**

**Chris Johnson**
