## NEIGHBOURHOOD PLAN

Dear Resident,

Let me start with an apology – for yet another piece of paperwork through your letterbox about the Walton Neighbourhood Plan ! All I can say is that we remain determined to successfully conclude the work of pulling the Plan together but we also see it as equally important to keep in touch with you at pretty well every stage of the journey. It is your Plan and your village.

The latest ‘intentions’ document is an important (and is strongly recommended by Leeds City Council) piece of work and through it we simply want to keep you updated on what we believe you have told us are the important issues – the document is an expression of what we intend to incorporate within the plan itself, albeit more fully and with significantly greater detail. If we are missing things, please let us know.

So we would be very grateful if you could give it a glance through – and do come back with any further points – and if possible complete the questionnaire on the reverse of this page.

We promise only to bother you further where we are unsure of your views, and later on, when we have the finalised draft of the Plan to share with you.

Thank you again for your continued help.

This is your opportunity to ensure that your views are considered and represented in the neighbourhood plan's final content.

Please indicate by putting a tick in the box to indicate if you agree or disagree with the stated policy.

Please feel free to supplement the questionnaire with any further or more in depth comments you may have.
